# Welcome to Century Homes

Incorporated in 2007, Century Homes was established to set up a professional managed chain of property brokering outfits, with the aim of setting highly international standards and exclusive practices in the field of Real Estate, Investment & Property Consultancy.

Century Homes is a highly experienced and knowledgeable Sales and Leasing Agency and is rapidly gaining its reputation as a market leader in promoting luxury property developments in the Gulf. As a privately held Real Estate Company, Century Homes promotes balanced and sustainable projects in the Gulf Region and the Middle East, dedicated to fulfill customer satisfaction in an extremely professional, transparent and an ethical environment.

## Our Vision

To create a Real Estate Company that works with clients hand-in-hand as their local property partner assisting them in finding the best available solution for their property approach in the Kingdom of Bahrain, transforming their real estate dreams into concrete reality.

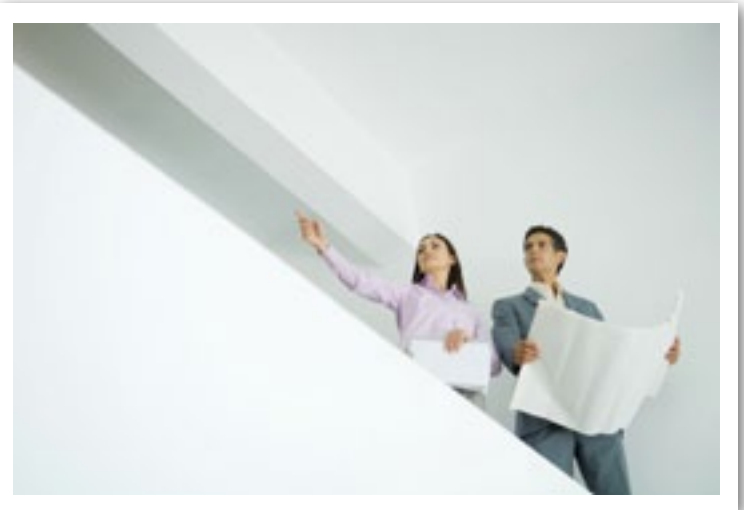

## Our Projects

Century Homes has prestigious projects which are distributed in Bahrain's sought-after locations, Seef District and Reef Island.

**1. Marina Reef** (Reef Island) - is a freehold development consisting of three typical low-rise buildings (B+G+6), Marina Reef is the ultimate address in Bahrain for people who are looking to enjoy their own lifestyles in the heart of the sea.

**2. Landmark Cityview** (Seef District) - is a freehold 23-storey tower designed with modern standards and interiors, Landmark Cityview is the ideal home for you and each member of your family where enjoying business, living, shopping and having fun is a must.

**3. Landmark Seef** (Seef District) - is a contemporary 7-storey building perfectly located next to many business, shopping and entertainment attractions offering luxury fully-furnished two and three bedroom flats for rent.

## Our Services

**1. Property Sales** : with years of experience behind us, Century Homes has one of the best reputations in the Kingdom of Bahrain Real Estate Market. Our particular know-how on where the best properties are located, the pricing aspect, demand and supply and other particularities that affect the final price, distinguish our style & set us apart from others with an edge over competitors in the field.

**2. Rentals** : Our rental properties in Bahrain range from two and three bedrooms apartments fully-furnished with luxury furniture, interiors and best amenities available round-the-clock. The rental period can vary from a short stay, to monthly or annual basis.

**3. Property Management** : is one of the most challenging yet rewarding professions in the realm of real estate. The span of this service discipline can be very wide ranging, and covers looking after the buying, selling, renting, care and upkeep of residential or commercial properties. Century Homes specializes in all aspects of property management and can definitely deliver the best results for you.

## Our Partners

Century Homes is a member of Ebrahim Abdulaal Group (EAG), a leading and well-known group operating in the Kingdom of Bahrain since 1944. The Group has been highly involved in the development of the Kingdom and other neighboring countries and has grown tremendously by capturing key market opportunities getting involved in several diversified activities, all of which has literally changed the face of the region.
